GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 4672, dated 4th January 1927.

Sealed tenders for the supply of good and cleaned grains for the animals of the Government Stables required for one year at Bangalore and at Mysore, will be received by the Secretary, Stores Purchase Committee, Public Offices, Bangalore, up to 12 noon on Monday the 31st January 1927. This contract will be for the period from the 1st March 1927 to the end of February 1928.

CONDITIONS.

The tender which should be in the form given below wherein are given the approximate quantity and description of articles required, should state clearly the rate at which the grains can be supplied at Bangalore and at Mysore throughout the year, in column 3 of the statement left blank.

2. Every tender should be accompanied by an earnest money of Rs. 100 in the form of a cheque on the Imperial or Mysore Bank. The earnest money will be forfeited to Government, if the tenderer, whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

3. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit a sum equal to five per cent of the value of the order as security for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of the contract at the end of the period.

4. When the animals leave headquarters on manœuvres or other duty, the contractor at the station will be required to supply in advance sufficient quantity of the grain needed at the contract rate until their return to headquarters.

The cart-hire and other extra charges for the conveyance of the grain for any stage or stages should be borne by the contractor himself, if the number of animals leaving the station is not less than (6) six.

5. Such officer as the Chief Commandant may appoint for the purpose will indent on the contractor for the quantity of the grain (cleaned as described above) required per day and the contractor should supply the quantity indented for (daily) at the appointed place and obtain receipts in token of the supply made.

N.B.—Should any necessity arise for feeding the animals of any regiment on any extra quantity of the above grains, the contractor should be prepared to supply the required grains at the accepted rates.

6. The contractor should present his bills once a month for supplies made by him during the month to the respective Commanding Officers at Bangalore and Mysore who will arrange for payments of the amounts due to the contractor.

7. No application from the contractor for any sort of concession whatever in consequence of the rise in the prices of the grains in the market due to scarcity, or other causes, will be considered.

8. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the security deposit forfeited to Government. The contractor shall also be bound to make good to Government any loss which may arise from his failure to supply the grains contracted for or by Government having to purchase the grains specified in the contract in the local markets at higher rates than those contracted for.

9. The Stores Purchase Committee reserve to themselves the right to finally accepting or rejecting any tender without assigning any reason therefor.

10. In all matters of dispute as regards the quality of the articles supplied, the decision of the Chief Commandant shall be final.
